

Anexa REZULTATE OBTINUTE

Criterii de performanță, pe ani de finantare

Criterii de performanță 2007	NUMAR (prevăzut)	NUMAR (realizat)	Denumire	Acknowledgement	Observații
Articole acceptate spre publicare în reviste indexate ISI	0	0	-		
			-		
			-		
			-		
Articole acceptate spre publicare în reviste indexate în baze de date internaționale	4	5	1.The behaviour of some new german clones of Cabernet Sauvignon variety under Buziaș-Silagiu viticultural centre pedoclimateric conditions;Buletinul USAMV Cluj-Napoca, vol. 64, pag.138-143	NU	
			2.The behaviour of some local vine grapes varieties from the western part of Romania under different maintenance soil systems influence; Buletinul USAMV Cluj-Napoca, seria Horticultură, vol. 64, pag. 730		
			3.Researches regarding vines recovery capacity some table grapes varieties in case of some repeated climatic accidents;Analele Universitatii din Craiova, vol. XII , pag.27-30		
			4.Researches regarding technological features of some wine grapes varieties in Recas viticultural center conditions ; Analele Universitatii din Craiova, vol. XXXVII/A, pag.189-192		
			5.Researches regarding viticultural exploitations size, production directions and varieties assortment cultivated in Romania's west region; Novi Sad, pag.406-412		
Cereri de brevete naționale depuse	0	0			
Cereri de brevete internaționale depuse	0	0			

Criterii de performanță 2008	NUMAR (prevăzut)	NUMAR (realizat)	Denumire	Acknowledgement	Observații
Articole acceptate spre publicare în reviste indexate ISI	0	1	1.The influence of viticultural region and the ageing process on the color structure and antioxidant profile of Cabernet Sauvignon red wines, Journal of Food, Agriculture & Environment, Vol 6(3&4):104-108, 2008, Helsinki, Finlanda.	NU	

Articole acceptate spre publicare în reviste indexate în baze de date internaționale	7	9	1.Varieties and local byotypes of vine from the western part of Romania- International conference on science and technique in the agri-food business, 5-6 noiembrie 2008, Szeged, University of Szeged- ISBN 9634826768, pg 67	NU	
			2. The behaviour of some grape wine varieties under the influence of some different technological sequences cultivated in Buzias-Silagiu viticultural - International conference on science and technique in the agri-food business, 5-6 noiembrie 2008, Szeged, University of Szeged- ISBN 9634826768, pg 69		
			3. Influence of Copigmentation on the Chromatic Structure of Red Wine from the Recaș Winery-43 rd Croatian & 3 rd International Symposium on Agriculture, Zagreb Croatia, ISBN 978-953-6135-68-4,pag 897-900		
			4.Researches regarding local viticultural germoplasm from Arad county- Buletinul USAMV Cluj-Napoca, seria Horticultură, vol. 65(1), pg. 374-379		
			5. Researches regarding varieties assortment and technological level practiced in few viticultural exploitations from Banat- Buletinul USAMV Cluj-Napoca, seria Horticultură, vol. 65(1) pg.531		
			6. Soil maintenance systems influence upon yield and quality in case of some vine varieties in Buzias-Silagiu viticultural center.- Lucrări științifice, vol 40(2), Facultatea de Agricultură, USAMVBT, Ed. Agroprint, Timișoara. Pg.59-62		
			7. Researches concerning green fertilizers application influence upon vigour, wood maturation and yield in case of some wine grapes varieties- Lucrări științifice, vol 40(2), Facultatea de Agricultură, USAMVBT, Ed. Agroprint, Timișoara. Pg 63-67		
			8. The influence of grapes variety on the Chromatic Structure and „Chemical age” of the red wines- Lucrări științifice, Anul LI- vol 51, seria Horticultură, Ed. Ion Ionescu de la Brad, Iași, ISSN 1454-7376. pg 561-566		
			9.Cercetări privind influența condițiilor pedoclimatice asupra calității strugurilor la soiurile: Muscat Ottonel, Feteasca regala și Cabernet Sauvignon - Simpozionul "Agricultura durabilă în contextul schimbărilor de mediu "-USAMV Ion Ionescu de la Brad-Iași, octombrie 2008

Criteria de performanță 2009	NUMAR (prevăzut)	NUMAR (realizat)	Denumire	Acknowledgement	Observații
Articole acceptate spre publicare în reviste indexate ISI	0	0			
Articole acceptate spre publicare în reviste indexate în baze de date internaționale	8	10	1. Research on identification and enhancement of local wine germoplasm in Buzias-Silagiu, area in order to achieve biodiversity conservation, Journal of Horticulture, Forestry and Biotechnology, vol 13, Ed. Agroprint Timișoara, pg. 228-233	DA	
			2. The influence of soil maintenance systems on vigor, quantity and production quality at some grape varieties for wine, Journal of Horticulture, Forestry and Biotechnology, vol 13, Ed. Agroprint Timișoara; pg. 197-200		
			3. Researches concerning the influence of different fertilization systems on the quantity and quality of the production at some table grapes cultivars, Journal of Horticulture, Forestry and Biotechnology, vol 13, Ed. Agroprint Timișoara; pg. 454-457		
			4. Researches on the evolution of the annual biological cycle at some grape varieties under different pedo-climatic conditions, Journal of Horticulture, Forestry and Biotechnology, vol 13, Ed. Agroprint Timișoara; pg. 458-461		
			5. Local Grapevine Biotypes and Varieties – a Source for Biodiversity, Specificity and Authenticity, Bulletin UASVM Cluj-Napoca, vol. nr. 66(1-2)/2009; pg. 260-266		
			6. Researches on Capitalizing the Productive and Qualitative Potential of Some Grape Varieties for Wine by Applying Some Differentiated Advanced Technologies, Bulletin UASVM Cluj-Napoca, vol. nr. 66(1-2)/2009; pg. 660		
			7. Researches Concerning the Optimal Dimensioning of the Investments in a Viticultural Holding, Bulletin UASVM Cluj-Napoca, vol. nr. 66(1-2)/2009; pg. 359-365		
			8. Viticultural systems in western Romania in the concept of the sustainable development, Agrar-es Vidékfejlesztési Szemle a Szegedi tudományterem mezőgazdasági kar tudományos folyóirat, Vol.4 (1), Hodmezóvársárhely Ungaria, 2009, ISSN 1788-5345; pg. 45		
			9. Researches on the behavior of some old grapevine varieties and biotypes from Minis-Maderat area grown in biological system, Analele Universității din Craiova, vol. XIV, Craiova, 2009; pg. 169-174		
			10. Researches on practicing the differentiated pruning in conjunction with the agrobiologic features of the variety and the ecological resources of the area of culture, Analele Universității din Craiova, vol. XIV, Craiova, 2009, pg. 149-154
